COME AND TAKE IT

Attn: Contestants

We are excited to announce the start of the **2026-2027** year for **Region 6**! JB Wells would like to thank you for choosing us as your home for another year. This year, we will open our office phone lines for rodeo season reservations on August 5th at 9:00 a.m. With that said, we will **NOT** be taking **ANY** reservations until this date and time. The only number to call will be **830-672-6558**. **DO NOT CALL** our on-call or manager's phone number. When you call, you will be asked for your name and phone number and placed on a list. You will be called back in the order your call was received.

Please do not leave a message on our answering machine or send an email to let us know which sites you would like to reserve. We will only be taking phone calls for reservations. Additionally, each person must make their own reservations; **please do not ask us to reserve a spot for a friend**. We are trying to ensure equal reservation opportunities for everyone. We will return your call within a few hours to book your reservations for the year. Please keep in mind that we may receive a high volume of calls on the first day, so there may be a delay in our response. If you do not hear back right away, please give us one to two days. **We will return calls in the order they were received.**

To ensure a smooth and efficient check-in experience each rodeo weekend, all stall and RV hookup reservations must be paid in full by Thursday at 12 PM. Receiving payments in advance allows our staff adequate time to prepare the facility by unlocking reserved stalls and hookups before you arrive. As in previous years, an on-call staff member will be available until **8:00 p.m. on Fridays** to assist with additional purchases, such as shavings or extra nights. If you anticipate arriving after 8:00 p.m. on Friday, **your stalls and RV hookups must be paid in full before your arrival. Please remember that only paid reservations are guaranteed.** If you arrive without a reservation, **do not occupy an empty stall or RV hookup.** Although a space may appear vacant, it has most likely already been reserved and paid for by another contestant.

Unauthorized use of any stall or RV hookup is considered a violation of JB Wells Park policies. Anyone found occupying a stall or RV hookup without payment or authorization will be required to vacate the space immediately. If the individual refuses to comply, **the Gonzales Police Department will be contacted to assist with removal from the facility.** In addition, any contestant or guest found intentionally using stalls or hookups without payment or authorization may have **all remaining reservations for the season canceled and be denied access to JB Wells Park for the remainder of the Region 6 season.** Additionally, due to the increasing number of refund and rollover requests, all reservation payments are final. Refunds, credits, or rollover payments **will no longer be issued.**

2026 – 2027 Dates: August 29-30, September 19-20, October 24-25, November 14-15, January 9-10, February 13-14

We can't wait to get this next season rolling! For questions regarding this information, please call (830) 672-6558.

Thanks,

Amanda Garza
